The Old Ice-Box --It Has Run Death Toll Up to 15

The most in "edible example of adult carelessness continues to be untitue newspaper's front page—the never-ending series of child deaths in abandoned ice-boxes.

Notwithstanding a run of 13 such deaths in the last three months you read on this page yesterday from Windsor, Ontario, reporting that two 4-year-old boys were trapped in an abandoned refrigerator and suffocated - while their little dog barked outside in a vain effort to

The trap-like nature of an ice-box known to every adult person.
And how anyone could go off and leave such a trap for innocent less, and selfish age.

I don't know what statutory law presently provides for but it is obvious ta a con ancient common law intended to cover cases of crimimtinent the past three months.

lice and prosecutors ought to have "vigilante patrols" were formed. little difficulty in proving criminal negligence charges against the person who abandoned an ice-box figuring in a child fatality.

Action to prevent these tragedies in the first place is fairly simple and easy. Either the old boxes should be destroyed, or their doors should be removed.

▲And if we are going to write a new law on the subject it would At least two residents of East be wise to make liable to arrest Dallas shot at prowlers last night without first taking off the doors. This is the most inexcusable story of child tragedy ever to he had bought recently. creep across the American scene because it is thoughtless, stupid. unintentional,

> Women slept with guns by their beds and the lights on. Some husbands stayed home from work to protect their homes. Police squads were increased, vacations were cancelled and officers, worked on a 12-hour day, 7-day-week basis. Civil defense radio units were ressed into service.

At least two residents of East anyone abandoning a refrigerator but police said both apparently missed their targets. One man shot himself in the hand with a pistol

Reward funds for conviction of the rapist killer and prowler passed the \$7,000 mark and the Dallas Negro Chamber of Commerce, nelped by Dallas basebal players. Bud Clarkson and Willia Brown, started a reward fund. Police Chief Earl Hansson asked

women not to go out alone after dark and urged them to keep their doors bolted. He also warned citi-ens to shoot only in self defense or "defense of a neighbor."

Of scores of Negroes arrested by police, all but 23 had been released

era Tonnemaker, Asst. Sec., Ja- gasped to police that "a Negro man pulled me under the bridge and stabbed me." Examination revealed she had been raped.

> She was buried yesterday in private funeral services. A tubercular husband, hospitalized for three years, a four-year-old son and her mother survived.

> Yesterday, her grandmother Mrs. Birtie Leora Gilmore, 77died after hearing of her grand-daughter's death over the radio.

### **Cherry Not to** Call Special Session

LITTLE ROCK (A) - Gov. Francis Cherry has rejected a proposession of the Legislature to settle the fight over the Highway Commission's right of way policy.

The governor announced his decision yesterday in a letter to Hol-

The Arkansas County Judges Association opposes the commislle; Asst., Waddle Cunningham; sion policy of giving road building gets free right of ways.

Referring to the association's claim that the policy will place a burden on county finances, Cherry said the policy calls for property owners to donate right of ways, not just the judges or the counties.

Cherry said there isn't enough road building money to do the necessary paving on state roads so the commission must set up pri-

### Longshore Leaders Get **Police Guards**

NEW YORK M-Rival longshore leaders in New York had 24-hour police guards today in the poling East Coast ports for a third

Meanwhile, a presidential board of inquiry meets here today to start the legal machinery turning for an anti-strike injunction and a return to work, probably early next

A third development in the tenso waterfront crisis was a report that John L. Lewis' United Mine Workers (Ind) had invited into its fold the AFL-ousted International Longshoremen's Association (ILA). which struck ports from Maine to Virginia in a bid for higher wages. The report could not be confirmed mmediately,

The docks were quiet yesterday as an estimated 60,000 dockers were idled by the wage-contract lispute between the ILA and the New York Shipping Association (NYSA), representing 170 shipping and stevedoring firms.
Not involved in the contract fight

but locked in a bitter struggle with the ILA for control of waterfront labor is the new International Longshoremen's Association, APL (HAAFL). The AFL set up this group as a rivel to the ILA, which the parent federation expelled for failing to rid its ranks of racks cteers.

In New York, the world's greatest harbor, the struggle between the two unlone has resulted in bolstered police details along the piers. The officers have staved off a number of clashes.

Yesterday the FBI reportedly tipped local police to a rumor that two gunmen were on their way here from Oregon to kill ILA President guard was placed on the 60-yearold Rynn's private hospital room

Another police guard was given.
John Dwyer, a leader in the ARL's dochs. Dwyer, who took his Mans docks. Dwywe, who took his Manhatten local out of the ILA and is now the ILA-AFL organizer in Manhattan, had two detectives by his side yesterday as he marched up and down the docks, calling on ILA pickets to bolt and join the AFL. Police called Dwyer's guard "unofficial."

# Red Head Follows Don't City of the Port of the State of S

When Phil Stanley at a pped into Humphrey Charles' law office to collect another stands to the sample tegacy due him, or stepped right into Nancy Kelly's life. Intrigued by the sparking wit and the lush red hair of this young woman serving ma Mr. Charles' secretary. Phil restured to ask Nancy to lunch with him, and she accepted. It would be found the control of the sparkets of the tone of the charles' secretary who with the city's most eligible you a g millionsire bachelor. His name had been linked with that of many a socialita miss, including Limin Van Vliet, a new-cuner, whose charm and brunette branty had become the tonst of the town. Nancy's small filcht into Utopia soon vanished when she reached home to find her family in a state of despoir. Her father. Tim, was again unemployed, as was her brother Tom. Her younger sister Moira had cloped with Sam Sykos, a young man of ill repute. Nancy handed her badly needed pay check to her distraught, work work mon unther. Threesy Larry' Patrick, as enterprising newspaper repeter had spoited Nancy Kelly and Phil Stanley at the club. He was quick to reach the Kelly home, thomanding to know if romance loomed. Nancy as aured him it did not. Her saunt with Stanley was merely part of her day's work, she saud. When, several days later Phil and Nancy attend theater lyst and nan Nancy attend theater lyst a sort of wren among the guiden pheasunts. home, Adults only, Write Box "X" c/o Hope Star. 3:31 LOCAL and long distance hauling.
